## ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to December 11, 1972. Anyone failing to do so cannot be assured of being considered for admission.

### New Applicants

Application blanks and detailed instructions concerning admission procedures and regulations may be obtained from the offices outlined below:

Undergraduate Students - Office of the Dean of Admissions & Records, Room 218, Administration Building.

Graduate Students - Office of the Dean of The Graduate School, Room 180, Administration Building.

Adult Special Students - Office of the Dean of The Division of Continuing Studies, Room 134, Administration Building.

### Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the fall semester. Undergraduate or graduate former students desiring to be readmitted may obtain application for readmission and other information from the Records Office, Room 116, Administration Building, or from the Office of Continuing Studies.

## REGISTRATION PROCEDURES

At Memphis State University, the registration process is composed of the basic steps outlined below. After the outline, each step is explained in detail.

- (1) Consulting with academic adviser
- (2) Obtaining registration materials
- (3) Securing class cards and paying fees
- (4) Changing enrollment status
  - (a) Change-of-course procedures
  - (b) Withdrawal procedures
  - (c) Change of college, major, or adviser
  - (d) Change of name or address

### (1) Consulting with Academic Adviser

To begin the registration process, all students must see their academic adviser to obtain the "Student Schedule" form and secure the adviser's approval of their intended schedule. More specific instructions are as follows:

#### Current Students

Current students may obtain "Student Schedule" forms from their academic adviser and consult with the adviser anytime during the term unless specific periods are established by the dean of the college. The student should take the responsibility of making arrangements to consult with his adviser at the earliest possible time. The University is open Monday through Friday from 8:00 a.m. to 4:30 p.m.

#### New Students (Undergraduate)

Freshmen and permanent transfer students seeking degrees at MSU must attend a session in which information concerning assignment to adviser and the

registration process will be given. Students who have accumulated less than 60 semester hours will be assigned an adviser in the University College. Those students with 60 hours or more will be assigned an adviser in the college in which they plan to major. See the Semester Calendar for dates and times. Students should make an appointment with their academic adviser immediately after admission to the University. The University College is located in Room 104 of Jones Hall.

#### **New Students (Graduate)**

New students in the Graduate School will be directed to an academic adviser following their conference with the Dean of the Graduate School.

#### **New Students (Evening Division)**

New students enrolling in the Evening Division must attend the information session to be held in the University Center Ballroom. See Semester Calendar for date and time.

#### **Readmitted Students**

Students readmitted to the University for the spring semester and having less than 60 semester hours will report to the University College, Jones Hall, Room 104, to be assigned an adviser. Those students with 60 hours or more should report to the college in which they plan to major.

### **(2) Obtaining Registration Materials**

The second major step in the registration process is obtaining registration materials. Registration materials consist of four basic elements: (1) a personal data form entitled "Student Information Form," (2) a card entitled "Registration Appointment Card," (3) a card entitled "Student Fee Card," and (4) a permanent ID card. Registration materials may be obtained as follows:

#### **Current Students**

Registration materials will be mailed to the permanent address of all students currently enrolled - with the exception of those students having outstanding financial obligations at the time registration materials are prepared and those suspended for academic reasons or those who are on academic probation.

#### **New and Readmitted Students**

New and readmitted students who have cleared all their admission requirements at the time registration materials are prepared will receive their materials by mail. Students not receiving their registration materials by mail should contact their admitting office unless otherwise directed.

### **ID CARD**

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, AND SPECIAL STUDENTS. New students will be given information on ID cards in their information sessions. Current students who have lost their card may obtain a replacement by paying the replacement fee of \$10.00.

### **(3) Securing Class Cards and Paying Fees**

Students having their "Student Schedule" form approved, their permanent ID card made, and their registration materials are then prepared to enter the Registration

Center to obtain class reservation cards and pay fees. There are four important points to remember about this step in the registration process:

- (1) Registration appointment times – Enter the Registration Center on the date and time printed in the upper right hand corner of the “Registration Appointment Card.” (See example below.) Registration priority at Memphis State University is based on cumulative hours earned. For a complete statement of policy on registration priority, see page IX.

- (2) Schedule conflict - Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course number, section, and credit, agree with what they requested. Students will be assessed a “change-of-course” fee if it is necessary to make changes because of a scheduling conflict. Students should be careful to check the schedule for course offerings that might have changed. Up-to-date information can be obtained during registration.

- (3) Special Courses

Credit-No-Credit Courses - In order to register, the student must: (1) Obtain permit form from academic adviser, complete information on the form and secure adviser’s signature, (2) go to department chairman’s office in which course is taught and secure his approval, (3) obtain “Class Card Request” form from department chairman, (4) take completed permit form and “Class Card Request” form to the Registration Center at his appointed registration time.

Audit Courses — In order to register, the student must: (1) Obtain academic adviser's approval, (2) go to department in which course is taught and pick up "Class Card Request" form, (3) take "Class Card Request" form to the Registration Center at his appointed registration time.

- (4) **Payment of Fees** — Registration is not completed until fees are paid. Since there will be no deferment of fee payment, students should not enter the Registration Center unless they are prepared to pay fees. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship and Authorized Billings" table in the fee assessment line.

#### (4) **Changing Enrollment Status**

Once the student has completed his initial enrollment, he may find it necessary to change his enrollment status. Comments below outline those procedures to be followed in changing status.

##### **Change of Course**

After a student's registration is complete, he may - within specified time limits - change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER. Time limits for add/drop are outlined in the spring Semester Calendar on page III. A fee of \$3.00 will be assessed for each course which is added or dropped. NO CHANGE OF COURSE IS PROCESSED UNTIL THE FEE HAS BEEN PAID.

##### **Withdrawal Procedures**

1. Undergraduate Students — Notify the Office of Student Affairs, Room 214, Scates Hall
2. Evening Division Students — Notify Dr. William A. Brotherton, Dean of the Division of Continuing Studies, Room 134, Administration Building
3. Graduate Students — Notify Dr. Glen E. Peterson, Dean of the Graduate School, Room 180, Administration Building

Time limits for withdrawals are stated in the Semester Calendar on page III.

##### **Change of College, Major, or Adviser**

Undergraduate students in the College of Arts & Sciences, Business, Education, and Engineering may change college, major, or adviser by making application to the College in which they are currently enrolled. This change may be processed prior to registration or after the drop period has ended. Once a student has registered in a particular college, he may not change colleges until the drop period has ended.

### **Change of Name, Address, or Social Security Number**

It is imperative that the student keep his name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration materials. However, in order to change social security number or name, the student must come to the Records Office in the Administration Building. Change of name may be processed only upon presentation of official court document showing the basis for the change. **THE DOCUMENT IS NOT RETAINED BY THE RECORDS OFFICE.** Students who change their addresses should leave a forwarding address with the post office so that all University mail will reach them at the new address.

**Important:** All changes should be made early during the semester to insure their processing before the next semester.

### **GRADE REPORTS**

A mid-term deficiency report is sent to all undergraduate students whose performance in a course is "D" or "F" at mid-semester. Students whose performance is not deficient will not receive a report. In some cases, the deficiency report may be processed after a student has formally withdrawn from the University. A student who has formally withdrawn and receives a deficiency report may disregard this report.

A grade report showing the grade received, credit hours earned, and quality points earned will be mailed to each student at the end of the semester. Also shown on the grade report will be hours attempted, hours earned, and grade point average. The reports will be mailed to the permanent address.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADES EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY PHONE.

**COURSE NUMBER SYSTEM**

Courses are numbered according to the following system:

1000-1999  
 2000-2999  
 3000-3999  
 4000-4999  
 5000-5999

 Courses primarily for sophomores  
 Courses primarily for juniors  
 Courses primarily for seniors  
 Courses offered in the Graduate School but open to seniors within 36 semester hours of graduation  
 Courses open **ONLY** to those students fully admitted to the Graduate School.

**ACADEMIC STATUS AND RETENTION**

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University catalog.

**REGISTRATION PRIORITY**

Since it is impossible to register all students of the University at the same time, it is obviously necessary to establish some priority in the assignment of registration times. At Memphis State University registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned. This policy is based on the rationale that those students closest to the degree have the most critical need for choice of courses. The policy also has a pragmatic base since no other criterion of assignment seems to be as equitable and as easily administered.

It is recognized that a large number of students work. In fact, the majority of University students hold jobs either on or off campus. However, registration priority and associated registration appointment times, cannot be based on the need to work precisely because such a large number of students do work. No practical or equitable way exists, therefore, to administer a priority system on the criterion of a student having to work.

In the fall and spring, registration materials must be prepared before the end of these terms. Therefore, appointment times for the spring and summer terms must be based on cumulative hours earned at the beginning of the fall and spring terms rather than at the end.

Although the University is desirous of assisting term special students in obtaining the best possible program, a first obligation is recognized to native students continuing their program in the summer. Term special students will therefore be awarded registration appointments on the basis of hours earned at the University only.
